WELCOME TO EXPOMAQ 2018

Dear Sir or Madam,

We would like to invite you to our DMG MORI booth in EXPOMAQ at Leon, Guanajuato from 17th to 20th April. Experience our 128m² exhibition area with 3 high-tech machines, which can be individual adapted to your production requirements, e.g.:

- + **Customer First** – our MASTER spindles with a warranty of 36 months, on selected models.
- + **First Quality** – now means more at DMG MORI than ever before: Quality without compromise
- + **Technology Cycles** – 60% faster programming with our exclusive DMG MORI technology cycles

Experience the trend setting competences of DMG MORI. Learn more about the latest innovations for the Aerospace, Automotive and Die & Mold industries.

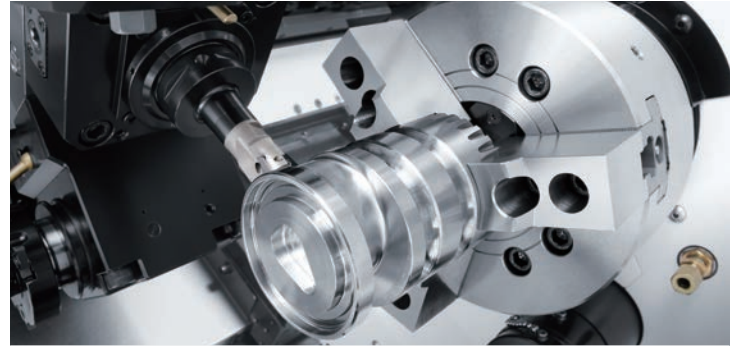

We are looking forward to welcoming you on our booth!
